TO ANYONE WHO OPENS THIS BOOK:

As from the house your mother sees  
You playing round the garden trees,  
So you may see, if you will look  
Through the windows of this book,  
Another child, far, far away,  
And in another garden, play.  
But do not think you can at all,  
By knocking on the window, call  
That child to hear you. He intent  
Is all on his play-business bent.  
He does not hear; he will not look,  
Nor yet be lured out of this book.  
For, long ago, the truth to say,  
He has grown up and gone away,  
And it is but a child of air  
That lingers in the garden there.

In Memory of

**EDWARD LEE BLANKENSHIP**

**October 2, 1949—March 28, 1972**

**And now, dear brothers, I want you to know what happens to a Christian when he dies so that when it happens, you will not be full of sorrow, as those are who have no hope. For since we believe that Jesus died and then came back to life again, we can also believe that when Jesus returns, God will bring with him all the Christians who have died.**

**I can tell you this directly from the Lord: that we who are still living when the Lord returns will not rise to meet him ahead of those who are in their graves. For the Lord himself will come down from heaven with a mighty shout and with the soul-stirring cry of the archangel and the great trumpet-call of God. And the believers who are dead will be the first to rise to meet the Lord. Then we who are still alive and remain on the earth will be caught up with them in the clouds to meet the Lord in the air and remain with him forever. So comfort and encourage each other with this news.**

**I Thessalonians 4:13-18**  
**The Living Bible**

God,  
You're an indian-giver.  
You gave me something  
for which  
I never ask.  
And now  
You want it back.

Go ahead . . .  
Just take it from me.  
Seize it, confiscate it, censor it.  
Maybe you can do more with it than I can.

My life . . .  
Now it's yours.

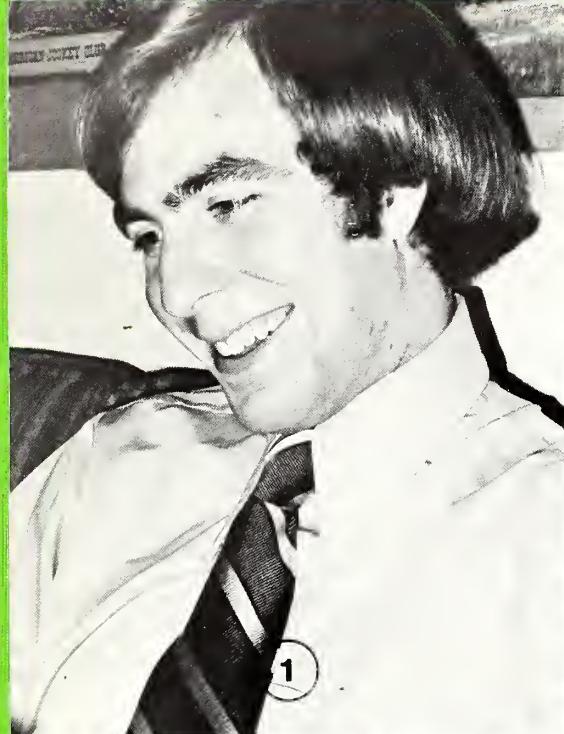

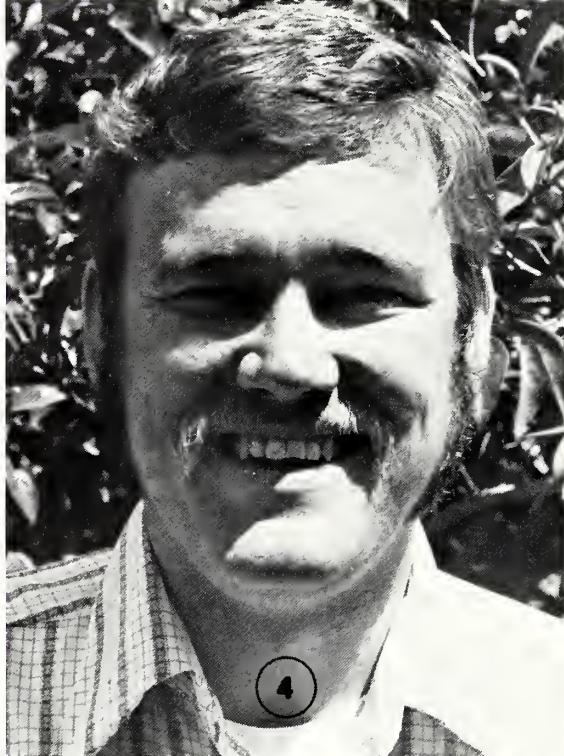

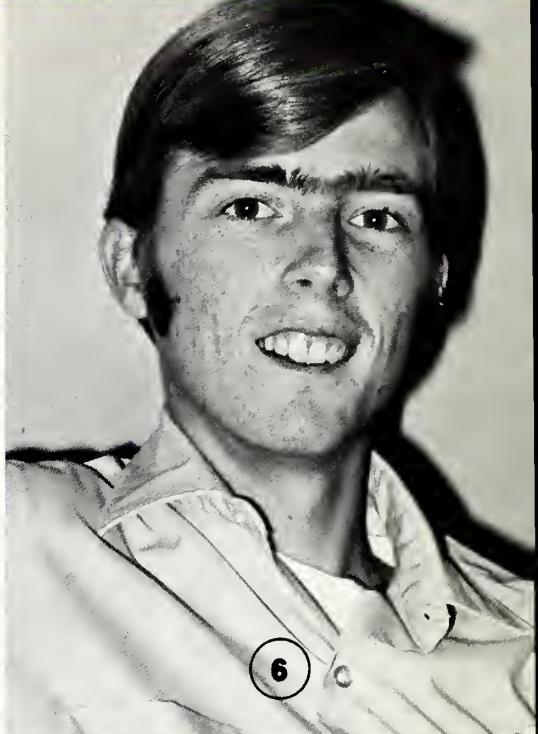

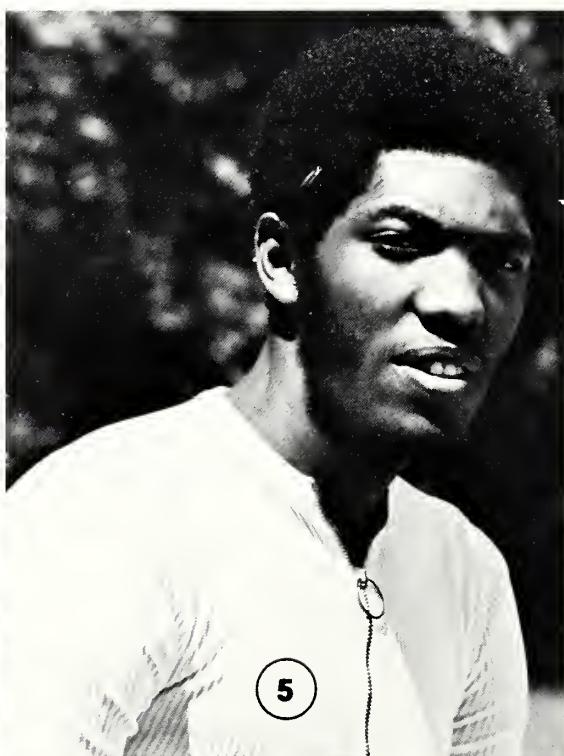

# **ASLLU Cabinet**

The 1971-72 ASLLU Cabinet played a major role in the development of several programs new to the La Sierra campus. College Bowl caught on with a number of students and plans are being made to continue this kind of intellectual competition next year. For the first time, a voter registration drive took place on campus, largely motivated by the relaxed laws permitting 18-year-olds to vote at their campus residence addresses. An experimental exchange program between La Sierra and Pacific Union College offered the opportunity for students from each campus to continue their academic programs on the other institution's campus for one quarter. Also stressing the idea of unity between the La Sierra and PUC campuses was the joint Bible Conference held midway between the two schools at Camp Wawona.

The Cabinet found areas on campus where changes were needed, and other areas in which the student representatives were invited to speak out. At the suggestion of Cabinet officers, and with the help of surveys, a number of small improvements were achieved in the area of Food Service. Policies regarding evening worships for women were studied with the women's residence hall deans, with the result that women are now offered a 9:50 p.m. worship on Monday and Wednesday evenings. Student body officers voiced their ideas about the University to members of the committee for the purpose of accreditation. Officers took a definite interest in discussing the TAC project with members of the Alumni Association, outlining their ideas about the proposed gymnasium-complex planned for this campus.

In the area of social activities, limited funds and facilities prevented any large series of social events, but a number of successful functions were planned and well-attended by members of the student body. There was the inevitable Get-Acquainted Party in September followed by a different sort of Halloween Barn party in October. Together with the senior class, the ASLU sponsored a folk concert featuring guest artists from Penny University as well as campus folk groups. A dinner at Taco Bell was the reward for participants in the Bike Rally (winners: Daryl Libby and Co.). The last major social event of the school year was the 1950's social, complete with greasy teeny-boppers and bobby-sox.

## RELIGIOUS ACTIVITIES

A capacity crowd of La Sierra Campus students and faculty attended the Christmas banquet held at the restaurant atop the Palm Springs Aerial Tramway. The theme of this year's banquet was, "Sleighride to the Stars"

# CHRISTMAS

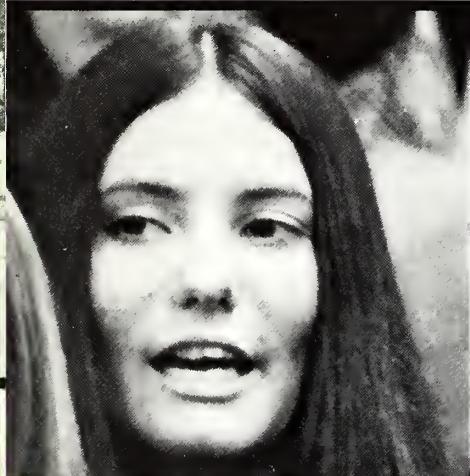

Campus Chaplain Dave Osborne emceed the evening's activities. Students from the Loma Linda campus, Halcyon Hamel and the Roger Abrew Group, provided the entertainment.

## CAROL SING

This year, minus the spaciousness of College Hall, the annual Carol Sing took place in the Commons. The women's performances rated mere applause, while the Christmas spirit was manifest in the men from Calkins Hall and Sierra Towers stimulated laughter and enthusiasm in the audience. South Hall, with its freshmen women led by Carol Shorter, captured the judges' decision as the winner of the competition for the second year in a row.

La Sierra initiated its first College Bowl games during Winter quarter. The games, held Thursday nights in the Commons, resulted in some tense moments and sometimes amusing incidents. The College Bowl program was set in motion by the ASLLU and was organized by Barbara Scofield.

In the final play-offs, a quartet from the Biology department captured its fourth straight win in a game with the English department team. In March, an All-Star team was sent to Union College in Nebraska to compete with teams from nine other Adventist colleges in North America. The team, composed of Don Ashley, John Carothers, Dave Thomsen, and captain Nancy Hoyt, placed third among the ten rival teams.

Final standings among campus teams:

TEAM	WINS	LOSSES
BIOLOGY	4	0
ENGLISH	3	1
CHEMISTRY	2	1
HISTORY	2	1
PHYSICAL EDUCATION	2	1
RELIGION	2	1
BUSINESS	1	2
CONSUMER RELATED SCIENCE	1	2
MATH-PHYSICS	1	2

BEHAVIORAL SCIENCES	0	3
SECRETARIAL	0	3

## COLLEGE BOWL

## Campus Changes

During the summer and the first few months of the school year, a number of important changes took place on the La Sierra campus. During the summer, College Hall (formerly the campus gymnasium) was converted into an outlet for packing nuts and bolts. EYE (Educational Youth Enterprises) employs approximately 50 students on a part-time basis.

As the year progressed, drastic changes could be observed on the hill behind La Sierra Hall. The old Hilltop House was removed and blasting and grading begun to make way for the new library.

In January, the Centrex telephone system went into full operation on campus. There is now no campus operator, but a type of switchboard-center is handled from the main desk of the library. The main advantage to the new system is that callers from off-campus may now dial direct to any number on campus, without having to be connected by the operator.

# Registration

Registration happens even more often now that La Sierra is operating on the quarter system. The process has been accelerated by the move into La Sierra Hall and HMA. Each academic department is now located in separate classrooms, a factor which eases the crowding that took place when registration was held in College Hall. Stations such as Security and Student Finance are located in HMA. Admission to each of these stations is regulated by members of the campus security force. One obvious improvement over College Hall registration is the reduced noise level. Many students take advantage of advance registration, which allows them to complete each step of registration at their own convenience and avoid the last-minute rush.

# Campus

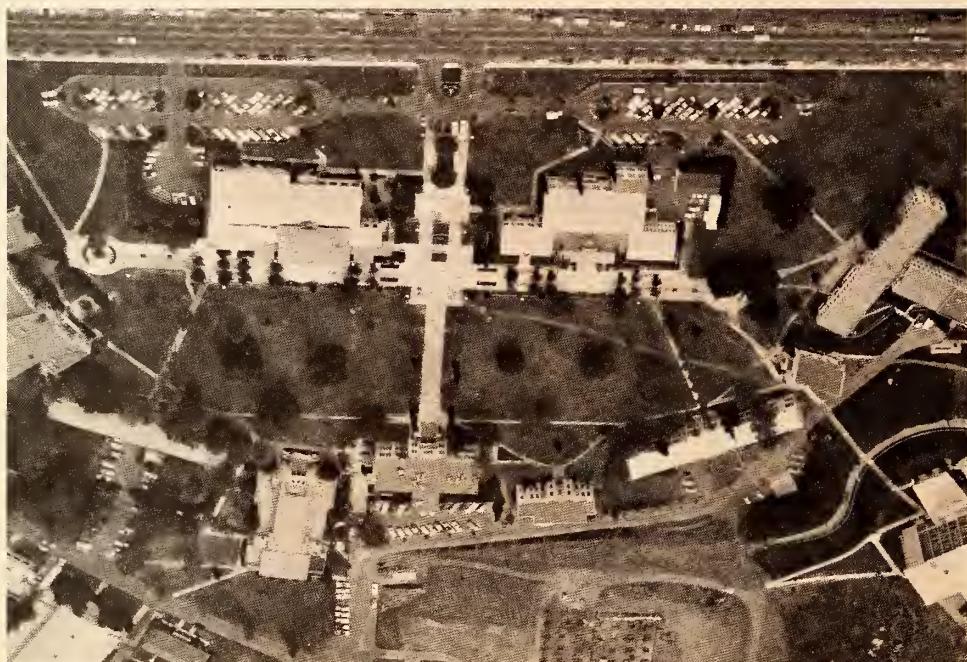

Bless the beasts and the children,  
For in this world they have no voice,  
They have no choice.  
Bless the beasts and the children,  
Give them shelter from the storm,  
Keep them safe, keep them warm.  
Light their way  
When darkness surrounds them,  
Give them love,  
Let it shine all around them.  
Bless the beasts and the children . . .

We're children,  
Needing other children,  
Yet letting our grown-up pride,  
Hide all the need inside,  
Acting more like children,  
Than children.

Our lives were flavored once with bubblegum  
Cigars and crumbly crumpets of sand served  
With dandelion tea in plastic Wedgewood.  
Our days were mazed with hopscotched highways, rooms  
In jungle gyms, and bartered wagon wheels.  
A time of endless play beneath summer's  
Caressing honeysuckle sun. We played  
Pretend -- a teacher, soldier, mother, nurse--  
And wore old lace or father's army boots,  
Not knowing grown-ups played pretend for life.

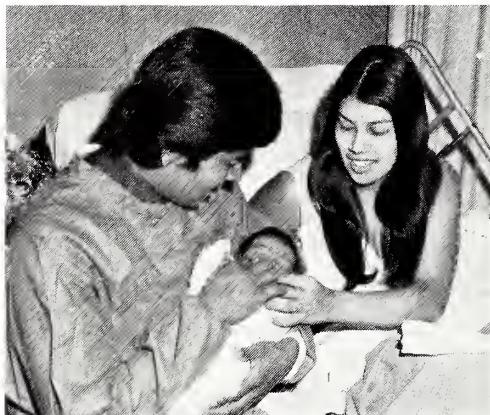

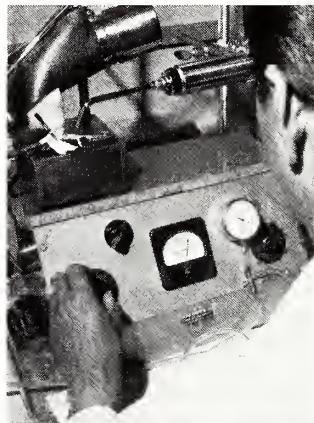

-- Juli Ling

The Medical Center endeavors to provide highly personalized service to individual patients through modern facilities and procedures, skills and efforts of qualified personnel whose central concern is for the well being of the whole patient—physically, mentally, and spiritually.

The Medical Center has an obligation to the community to perform a role which through patient care and services, research, and teaching, creates a center of influence for the restoration of the whole man.

The Medical Center takes pride in being a church-related institution, attempting to supply an atmosphere which inspires students and employees to consecrate their lives to the work of Him who said, "Heal the sick."

Photos depict current Medical Center activities fulfilling a distinctive Christian philosophy through research, patient relations, advanced surgical techniques, specialized care, and a continuing building program.

Thomas Jefferson, in designing his tombstone, chose not to be remembered by men as a two-term President, Vice President, Secretary of State, ambassador, governor, purchaser of the Louisiana Territory, or legislator, but as the author of the Declaration of Independence, of the Statute of Virginia for Religious Freedom, and as founder of the University of Virginia. Jefferson spent his life defending men from tyranny. He freed their bodies with the Declaration, their minds with the university, and their spirits with his bill for religious freedom. Andrews University is dedicated to the same freedoms for body, mind, and spirit, and our seal portrays our ideal—the harmonious development of corpus, mens, and spiritus. The university is committed to provide the tools of learning, such as libraries, laboratories, research facilities, housing, and other means required to enable the faculty with the students to advance teaching, learning, and research in a climate of free, responsible inquiry. We think Jefferson would approve of our ideals. If you agree with us, too, write for our bulletin. You'll find we've based our philosophy on that of the Man who freed us all—"You shall know the truth, and the truth shall make you free."

We appreciate your patronage  
and try to warrant it.

We give  
S&H green stamps

Arriving at the new Portland Adventist Hospital will be a unique experience. Structures and landscaping will complement the natural beauty of acres and acres of 100- to 125-foot Douglas firs and green slopes.

Interlaced among the evergreens:

- A 204-bed general hospital.
- An ambulatory-care facility with a Family Practice Unit.
- A professional building for physicians.
- School of Nursing educational facilities.
- Apartments and dormitories for students and single workers.

*If you think your future might be among firs of the Northwest, too, call (collect) or write:*

I often wonder  
About how big I am now  
And thinking  
About myself  
And those carefree days  
Of childhood  
But I know somehow  
One day I'll discover  
A picture book  
There  
Perhaps in an old trunk  
Hidden beneath some papers  
And it will take me back  
To college days  
Remembering they  
The most carefree  
Of them all
